

First, we want to say how much we love and appreciate all of you. 2024 was a great year for us! So much has happened and is happening. God has been so faithful as always. If you are getting this letter, you are one of our team members, if for any reason you no longer want on our mailing list please let us know.

It is my prayer that you will be able to attend our banquet this year. If you have not been to one you need to come and experience what the Lord has been and will continue to do. He said the World would be our congregation and every street corner would be our pulpit. We are amazed every year at what the Lord has done. Just this year alone:

- Our new website declares the goodness and the work of the Lord. Three Ministries working together to fulfill the call of God.
- We have an entirely new production team. You can see the improvements in all our shows on television or through all our social media sites.
- We have added 4 new studio locations. Each one has a new purpose to expanding our vision and accomplishing our goals.
- Our Daily Bible reading Discipleship program continues to grow.
- The Weekly Zoom format Bible commentary programs are growing.
- God has given us Ecclesiastes 4:12 for 2025, when one is over taken, 2 can put him to flight, and a 3-fold cord is not broken.
- Crossing paths church outreach is growing with Live Sunday services every week.
- HIS food ministry community outreach program is also continuing to grow.

These are just a few of the improvements and advancements in the Kingdom of God that we have made in 2024. I will be speaking about these blessings and promotions from the Lord at the banquet.

Our key note speaker is Pa. State Representative David Zimmerman from Harrisburg area. All his information is on the flyer. We have several powerful shows that we have done with David all are on our website to view. Representative Zimmerman has a Word from the Lord regarding Politics and religion. He will share his thoughts on the future of our country. Most importantly, what is our role as Christians in politics. What should Christians be doing now in politics according to the Bible. How should we be accomplishing these goals according to the Bible.

I really believe that God is using State Representative Zimmerman to give us direction as a Christian nation. Please prayerfully consider attending this year's banquet. I hope to see you there.

Love and appreciate every one of you.

Pastor Ron, Deborah, and the entire Crossing paths Team

The world is our congregation and every street corner is our pulpit.
